TICKETING INFO

In the past we had a ticket system that required many staff members to sell and monitor.

This year it will only be event passes, pre-purchased online. Passes are going very fast and we must remind our honored guest to purchase event passes right away.

If you intend to come, please buy your pass as soon as you can because for the first time, these passes will sell out before the event starts.

This laminated pass will allow all of us to walk around freely without looking for and taking tickets.

We will not be set up to sell passes or any type of ticket at the event.

Please remind any friends that they too must sign up online and pre-order passes soon
